

PUJOLS FAMILY FOUNDATION BATTER UP COOKING PROGRAM

AIR FRYER HAM & CHEESE BISCUIT SANDWICHES

1 – 8 oz. can flaky biscuits

4 slices cheese

4 slices deli ham

Nonstick cooking spray

1. Pull apart each biscuit creating 2 equal rounds.
2. Flatten the biscuit rounds with your fingers.
3. Place ham and cheese slices into the center of half of the rounds.
4. Place the second round on top of each of these and then seal around the edges with a fork or pinching with your fingers.
5. Spray your air fryer basket with nonstick spray, then place the biscuit pockets in a single layer in the basket.
6. Lightly spray the tops of your biscuits with nonstick spray.
7. Cook for 4 minutes at 350 degrees F, then turn. Once turned over, cook for an additional 4 minutes until lightly browned and biscuits cooked through.
8. Repeat with additional batches until all biscuit pockets are cooked.
