

## PUJOLS FAMILY FOUNDATION BATTER UP COOKING PROGRAM

### APPLE & PEANUT BUTTER DOG TREATS

1 cup apple, peeled and finely diced  
2 ½ cups flour  
¾ cup oats  
½ teaspoon cinnamon  
½ teaspoon salt

2 large eggs, well beaten  
3 tablespoons creamy peanut butter  
**(Check your peanut butter to make sure it does NOT contain Xylitol. This sweetener is highly toxic to dogs.)**

1. Preheat oven to 350 degrees F. Line a baking sheet with a Silpat mat or parchment paper.
2. Place the diced apples in a mixing bowl. Add the flour, oats, salt, and cinnamon to the bowl and mix until combined.
3. Whisk together the beaten eggs with the peanut butter then add to the apple mixture and mix until well combined. The dough will be dry and crumbly so add about ¼ cup of warm water and mix until it sticks together in a ball. Add a little more water if it is still too dry.
4. Working on a floured surface, knead the dough 3 to 4 times until it comes together. Using a rolling pin, roll the dough to ½ inch thickness. Using dog treat cutters, cut out desired shapes, and place on prepared baking sheet.
5. Bake until golden brown and crisp, about 30-35 minutes. Cool completely on a wire rack. Store in an airtight container in the freezer or refrigerator. Enjoy.
