

PUJOLS FAMILY FOUNDATION BATTER UP COOKING PROGRAM

LOADED TATER TOT SKEWERS

Bag of tater tots	1 cup cheese, grated
2 slices bacon, chopped	1 tablespoon ranch seasoning

1. Cook your tater tots according to directions until golden brown in color. (Approximately 20-30 minutes in a 425 degree oven.)
2. After you pull the tots out of the oven, let cool for approximately 2-5 minutes until you can skewer them onto skewers. (Suggest 6-7 tots per skewer.)
3. Once on the skewers, place the loaded skewers onto baking sheet. Sprinkle ranch seasoning over the tater tots. Then sprinkle on chopped bacon and cheese.
4. Put the baking sheet back into the oven for an additional 10 minutes until the cheese is fully melted and golden in color.
5. Finally, remove from the oven and serve.

Makes 12 servings.
