PEANUT BUTTER AND BANANA “BARKIES” DOG COOKIES

1 ¾ cups old fashioned oats, divided

½ banana, cut into 4 chunks

¼ cup peanut butter, no artificial sweeteners *

1 egg

1. Preheat oven to 350 degrees F. Line a baking sheet with parchment paper or grease.
2. Place 1 ½ cups oats in chopper or small food processor. Process until ground to a flour texture. Pour into medium-sized mixing bowl.
3. Place banana, peanut butter and egg in chopper or small food processor. Process until well combined, scrape down bowl and process some more, if needed.
4. Pour mixture into bowl with oat flour. Add the remaining ¼ cup of unground oats. Stir together.
5. Scoop 1 tablespoon portions and roll into balls. (Or make whatever size your dog prefers.) Flatten with the tines of a fork in a crisscross pattern.
6. Bake for about 15 minutes for a soft center. (Based on 1 tablespoon size.) Let cool on baking sheet.
7. Store in air-tight container for a few days or in the refrigerator/freezer for longer.

*Only serve your dog treats that contain safe ingredients. When in doubt, check with your veterinarian. Peanut butter should NOT contain artificial sweeteners. (Xylitol is dangerous for dogs.)
