

PUJOLS FAMILY FOUNDATION BATTER UP COOKING PROGRAM

ROTEL DIP

1 pound ground beef

1 (16 ounce) box Velveeta cheese

2 (10 ounce) cans Rotel tomatoes

1. Place the ground beef in a large pot on the stove over medium heat. Brown the beef until no longer pink.
2. Cut the Velveeta in chunks (this will help it melt faster).
3. Add the whole can of Rotel tomatoes and stir in the Velveeta cheese. (Do not drain Rotel.) Stir frequently until the cheese is completely melted.
4. Transfer to a serving bowl and serve warm along with your favorite dipping foods.

Notes:

You can make this in a crockpot. However, still brown the ground beef on the stovetop until no longer pink. Drain grease before adding into the crockpot.
