SWEET POTATO DOG TREATS

2 ½ cups whole wheat flour

1 medium sweet potato, peeled, steamed and mashed (approx. 1 cup)

2 eggs

1. Preheat oven to 350 degrees F.
2. Mix all ingredients in a large bowl until dough forms.
3. Put the dough onto well-floured surface and form into a ball. You may need to add extra flour so that it's not sticky.
4. Flour a rolling pin and roll the ball of dough out into a sheet around ½ inch thick.
5. Use small cookie cutters to cut out shapes and place them in an ungreased cookie sheet.
6. Bake approximately 30-40 minutes until they are crispy and slightly browned.
7. Remove from oven and use a spatula to place the treats on a rack to cool.
8. Store treats in the refrigerator.
